

ALL THE STORIES OF THE BIBLE

There are several ways to access the 260 simplified accurate stories of the Bible.
(108 of the stories are available in Mandarin.)

These instructions are also online at www.bibletelling.org/all-the-stories-of-the-bible/.

1. Mobile App (Listen, Read, Watch)

Available for iOS, Android, Amazon, and Windows Mobile platforms (phones and tablets). From your mobile device, go to get.theapp.co/547d

After installing and launching the app, touch the “Podcasts” button at the bottom of the screen to select from 90-second or full-length stories. To listen to the stories offline:

- *Select* the desired episode (while connected to the internet)
- *Select* the 3 vertical dots at the lower right
- *Select: Download*
- *Repeat* for each episode desired for off-line listening

2. Podcast Players (Listen)

Choose one or more BibleTelling podcasts for your preferred platform/s:

A. Macs, iPhones, and iPads using iTunes

Click on the links below or search for “BibleTelling” in the Podcasts app:

- [90-second stories](#)
- [Full-length stories](#)
- [Mandarin stories](#)

B. PCs and mobile devices not using the iTunes store

Click on the links below to launch your MP3/Podcasts app (e.g., Podcast Addict) or copy the links to your app:

- 90-second stories:

Podcast Settings

To listen to the stories in sequence and to be able to re-listen to a story, set the podcast settings in your player to:

- *Play: Oldest to Newest*
- *Limit Episodes: Off*
- *Delete Played Episodes: Off*

To download podcast episodes for listening offline:

- *Select* the desired episode (while connected to the internet)
- *Select: Save Episode*
- *Repeat* for each episode desired for off-line listening

3. MP3/Audio Players (Listen)

Download one or more of the following (compressed/zipped) MP3 audio files to your computer and then move or copy the (decompressed/unzipped) audio files to your MP3 player. Clicking the links will download and decompress the files on your computer.
